Mid-America AACA Region

On July 2nd, 1776, the Continental Congress voted in favor of independence, and two days later delegates from the 13 colonies adopted the Declaration of Independence, a historic document drafted by Thomas Jefferson. From 1776 to the present day, July 4th has been celebrated as the birth of American independence.

Trivia

What is the name of this 1950 car made by Kaiser-Frazier Corporation?

President's Message

As June ends, we know 2024 is half over. With the extreme heat alternating with downpouring rain, going to car shows and cruises has been a challenge.

Even though there are attractions scheduled for some of the remaining monthly meetings, I am finding it difficult to come up with new ideas. A business meeting and snacks are not enough to maintain our motto as "The Fun Club", so any suggestions are welcome.

Remember to stay in touch with friends you have not seen in a while. Keep cool and keep those wheels turning.

Third, dream

Big Shoal Vintage Auto Show

After planning to attend the Big Shoal Vintage Auto Show, sponsored by Atkins-Johnson Farm & Museum and Mid-America AACA for weeks, the day did not begin with much promise. Rain was predicted for the morning and indeed it did rain! Personally, I backed the Plymouth out, dusted it off and went inside to "dress", then I heard the thunder and rain. I drove it back into the garage, chamois it off and waited for the streets to dry. The Halls were en route and had to pull to the side of the road and wait it out.

Upon arriving late, there were similar experiences being told. The weather cleared, there was a breeze, and we were under shade trees. The number of cars attending was more than expected.

Gary Crispin did a great job of partnering with the staff of the museum and we look forward to next year.

Members attending:

Gary Crispin - 1936 Nash Lafayette
Steven Ferrante - 1968 Camaro
Rich Fielder - 1934 Pierce Arrow

Mid-America AACA "The Fun Club"

Show & Tell Club Meeting

Despite a somewhat low attendance we had some interesting and fun items that members brought for our second Show & Tell to share with others.

Jerry Cygan brought his KC Chiefs trophy replicas that appear at each Mitch Holtus show.

Paul & Meredith Williamson brought a unique Jim Beam liquor decanter in the form of an antique car scale model. Paul and Meredith received the decanter and other collector items from a family member when they passed away.

Barry Herbert brought his antique, tin talcum powder can collection. The tins are fun to look at because they are different sizes with different descriptive advertising on them.

Mike Hemley told about how his family got into growing a variety of trees on his property for sale to the public like pine and evergreen trees. Mike turned his hobby into a business all of his family members worked at. It grew to be large quite by accident.

Steve Hartwich brought 18 different car dealer trunk “scripts” to share with the group. Steve collects many different KC area car dealer items. Another item he bought was a printer’s block from Joe M. O’Ffill Nash in Kansas City, Kansas.

Norman Kressmann stood before the group and told everyone how he had attempted to collect a scale model of each of his real collector cars. He held up each car for members to see. He then told a very convincing story about a small-scale model car and its background information. It wasn't until after the end of his story about this model that we realized we'd been told a little fib. He doesn't own one of these cars and it doesn't even exist! Good job Norm. You fooled us all!

It was really fun finding out more about our club member's collections.

Buying A Battery

Steve Hartwich reporting:

Have you bought a battery for your collector car lately?

In early June I bought a new battery for my 1965 Buick Wildcat. It was 11 years old. Not bad, but I recall the last battery went to 15 years!

I shopped around online and decided to go to O'Reilly Auto parts to buy a new battery. I took my old battery with me. They tested it and it showed no more than 8 volts, same as I got when I attempted to charge it.

Remember the good old days when you used to get a \$10-\$20 credit for a new battery when you brought in the old one with you? That is NO more! My new battery was \$219.99 plus \$20.02 tax, totaling \$240.01.

After I walked out of the store with my new battery and left my old one, I looked at the receipt. The receipt shows a line item, **Core Charge \$22.00**. They charged me a core charge, but right below that they refunded me **\$22.00**, calling it a **Core Exchange**. So that's a wash, right. Well, that means I got nothing for bringing in my old battery!

I called the O'Reilly corporate office in Springfield, Missouri to clarify this in my mind. If I had not brought in my old battery they would have charged me the purchase price of the new battery PLUS a \$22.00 core charge. After getting off the phone with O'Reilly I looked at Advance Auto Parts and AutoZone. They both do the same thing.

So, the good old days of getting a refund/discount on your new car battery by bringing in the old, dead one is gone. And that's progress!

Trivia Challenge Answered

The Henry J is named for the chairman of the Kaiser-Frazer Corporation, Henry J. Kaiser. The Henry J was designed to truly be a car for everyone, cheaper than any other car on the market at only \$1,300. To make it work at such a low cost it had fixed rear windows, there were no arm rests or a glove box, and the trunk didn't open.

Members Recommend Car Repair Shops

Many of you have mechanics, upholsterers, suppliers, restorers, detailers, etc. whom you trust and would recommend as a source for members. At a member meeting, several of you said that it would be most helpful if these trusted sources were listed in *The Generator*. So, here is a start:

Martie & Jon Kernodle recommend:

Santa Fe Garage

407 West Lexington
Independence, MO 64050
816-977-1020

greg@santafegarage.com
Billie and Greg, owners

Did work on our 1960 Metropolitan. Works on classics and others. Great couple. Reasonable, outstanding work.

Billie handles phone and office, while Greg, her husband, does the work with garage staff.

Absolute Upholstery

3011 M 291 Frontage Rd
Independence, MO 64057
816-694-9936

Ricky Jones, owner

Great upholstery job on headliner of 60 Metro. He does a lot of classic cars, boats, but not furniture.

Grisham Auto Service

4001 Prather Road
Kansas City, MO 64166
816-455-5800

Tim Grisham, owner

Tim is owner. Has worked on our 1957 and 1966 T-Birds. Honest, fair, reasonable, great work—in the Northland

Bonnie & Bill Johnson recommend:

Tommy's Custom Interiors

1308 South Cedar Ave.
Independence, MO 64052
816-226-0654

Tommy, owner

Tommy worked on Danny Johnson's Jeep and his 1968 Mustang

Steve Hartwich recommends:

AA Wheel & Truck Supply

717 E 16th Ave
NKC MO 64116
816-221-9556

For the DIY mechanic this place takes care of your old car brake and brake drum needs. They also rebuild water pumps. **Call and talk to Denny.** *This is not a shop where you take your car.* You take the parts there and they do the machine work like relining old brake shoes, turning brake drums and arcing the shoes to the drums. No one in KC does this anymore but it's highly effective and successful for safe brake operation.

Minutes of June Member Meeting

Mid-America AACA Club Meeting Minutes

June 23, 2024

Attendance : 13

Meeting began with the Pledge of Allegiance.

Minutes of the last meeting approved as published in the Generator.

Treasurer's Report given and approved. We received a \$400 Check from the Lawrence Car Club for club members taking money at their swap meet.

Activities: Dan unable to attend, report given by Bonnie. The Great Car Show at the National WWI Museum and Memorial on July 14th will be our July activity. You can register online at kansascityautomuseum.com Look under events to register. Cost for registration is \$40. We will meet at Your Classic Ride, so we can all drive in together. Let Dan know if you plan to attend. Other events-Church of the Resurrection Car Show August 17th, Old Shawnee Town Car Show September 8th. Possible picnic at Dan and Tammy's home. Dan checking on a possible tour of Boulevard Brewery. Purple Peace Car Show has been canceled. October will be the Halloween Parade. November will be the Chili dinner. Our Club Christmas party will be December 1st at Stone Haus Winery.

Gary not present. Members were asked about their views regarding the Atkins-Johnson Museum car show. Tom Wedbush thought it was great! Steve Ferrante thought it was a great show, nice, friendly people. There were at least 20 cars there, 8 cars from our club. People mentioned it was well organized, nice venue, liked parking in grass. They liked people doing the judging, not a true judged show. They liked the \$10 admission fee. Rich Fielder won Best in Class and Best in Show with his 1934 Pierce Arrow. Steve Ferrante won best in his class with his 68 Camaro. Bonnie won the award for dress. They said they hoped it would be repeated and get bigger and better next time. Lots of spectators there. Thanks to Gary Crispin for working so hard to help the people put on the show. They gave the club a donation and Gary gave it back to them.

June Birthdays: Konnie Crispin, Cindy Roberts, Don Arndt, Bonnie Johnson and Martie Kernodle. Anniversaries: Charles and Loretta Sharp and Stephen and Alice Ferrante.

Bonnie said she is out of ideas for monthly meetings and needs help from the club to come up with some new ideas. Tom Wedbush volunteered to do a venue on American Graffiti. We can plan to dress accordingly for the meeting, if we choose. We will plan on this for our September meeting. It was decided we will skip the August meeting. Tom suggested a tour of the Underground as there are always new things to see there, possibly for our August activity. Norm Kressmann talked about volunteering at the museum. He volunteers each week and says it is always fun to see all the different cars each month. He said with the club members car knowledge, they would be a good fit to volunteer at the museum.

Next was our Show and Tell:

Jerry Cygan showed the Mitch Holthus trophy that he made. It is used each week at Mitch's show during the Chief's season.

Paul Williamson showed a liquor bottle that looks like an old car. He has many of these in his collection, he said.

Barry Herbert showed his talcum powder can collection and explained about the different eras.

Mike Hemley showed pictures and talked about his evergreen tree business. He at one time was planting 1,000 trees a year. Very interesting.

Steve Hartwich showed his car dealer strips. A very impressive showing.

Norman Kressmann showed a collection of model cars-of what he owns. He also told us a story about a car he has spent time researching and gave great details about it. A "very interesting story?"

Tom Ricker said Addington Place has asked us to participate in a car show for their residents on July 25th. More information to follow.

Meeting adjourned.

Minutes respectfully submitted,

Sharon Cygan
