## President's Message

During these unbelievably cold days of forced hibernation some read, cook, work puzzles, etc. True to my interest, I decided to research car brands that have changed manufacturers. It started with a brief online article from Haggerty but there was not detail about the dates. These facts may not be perfect but come from Haggerty, Google, Wikipedia and Motor Trends Magazine. I hope you find the article interesting. (page 13 of this Generator)

Now I am ready for spring!!! I will wake up the old Plymouth and look forward to seeing my car family.

Stay warm, stay safe.

Kurt and Karl Mayo and the original owner of Your Classic Ride, Dale Wittenborn, and Dana Mecum were founders of this charitable event to support high school auto tech programs.

A representative from Mecum gave an interesting presentation on what happens at an auction from both the seller and buyer perspective. He pointed out what some factors determine the price of a vehicle; Most important are convertible or hard top, engine size, mileage, color, condition and documentation. He also stated that the sales of M.G.s are flat!

Students from the Tonganoxie Tech School passed the hubcap for donations and gave tickets to the auction. On behalf of Mid-America, Paul Williamson also gave a donation to Tonganoxie.

After lunch we began the gift exchange. Members had labeled their gift for a man, woman or either man or woman. Members drew a number to see who would begin. At any time you could choose not to get a new gift but to take someone else's gift who had gone before you. Interestingly, this was the first year everyone decided to keep the gift they had chosen and not steal someone else's gift. It was so fun!

## Trivia Challenge Answered

The 1953 Chevy Corvette was known as America's Sports Car."

Chevy makes the Corvette to this day and it's one of the most popular cars ever made and one of the most recognizable and iconic. That's a lucky turn for Chevy since, when it debuted in 1953, it was a pretty unpopular vehicle that suffered poor sales and was almost canceled.

# This and That

## Did You Know?

Two of this country's greatest waterways, the Mississippi River on the state's eastern border, and the Missouri River, which winds across the state, helped Missouri become a supply center for many of the westward-bound settlers of the nation's early years. The Missouri Territory, and later the state, took the name of the Missouri River. The river was named for the Missouri Indians who lived along the banks. The name, Missouri, means "canoe haver."

29 coats hand-rubbed paint...	Needed that much to cover rust
Clean.....	It sat out in the rain yesterday
Best offer.....	About what I expect to get
Always driven slowly.....	Won't go any faster
Prize winner.....	Hard luck trophy 3 times in a row
Stored 25 years.....	Under a tree
Real show stopper.....	Orange with purple fenders
Easy restoration.....	Parts will come off in your hand
Ready to show.....	Just washed it
Top good.....	Only leaks when it rains
Good investment.....	Can't depreciate any more

## Members Recommend Car Repair Shops

Many of you have mechanics, upholsterers, suppliers, restorers, detailers, etc. whom you trust and would recommend as a source for members. At a member meeting, several of you said that it would be most helpful if these trusted sources were listed in *The Generator*. So, here is a start:

### **Martie & Jon Kernodle recommend:**

Independence, MO 64050  
816-977-1020  
greg@santafegarage.com  
Billie and Greg, owners

**Absolute Upholstery**  
3011 M 291 Frontage Rd  
Independence, MO 64057  
816-694-9936

**Tommy's Custom Interiors**  
1308 South Cedar Ave.
