Trivia

What is the make and year this car first debuted?

President's Message

As I write this, we hope these crazy ups and downs in the weather is over and we can enjoy our old cars. Personally, all our cars, new and old, need some TLC.

The events your board has planned are a mixture of traditions and some we have not done before. Keep our monthly meetings on your schedule as this is when we get to know each other. Attend all local events and remember to have member applications with you.

I thank you and appreciate those who have been thinking of me during these last months and ask that you remember other members going through hard times. Also, sorry to have missed the Peculiar Show but two doctors and five prescriptions later, I hope to have this "thing" under control.

Dust off your car and fill the gas tank while we can still afford it!

See you soon,

Bonnie

Ron & Sarah Jury Garage Tour

On March 23rd, club members toured Ron and Sarah Jury's garage to see their cars. Their goal is to attain AACA Grand National Awards on each of them. Ron was recently elected to the AACA National Board as Vice President of National Marketing and Assistant Vice President to the Mid-West Region. We look forward to his leadership.

As you will see from some of the collection photos, Jury's cars are incredible. Enjoy!

Love this boattail!

By now, stomachs were beginning to rumble, so just blocks away, some members headed to Slaps Barbeque. And were we in for a surprise—fantastic BBQ.

Mid-America AACA & Peculiar United Methodist Church Car Show

April 27th, Mid-America AACA had their first car show with the United Peculiar Methodist Church, which is Tammy Suddeth and Dan McGrath's home church. While we all know weather forecasting has been a challenge over the last several weeks, the prediction was storms after 4:00 pm, not rain in the am. Even through it did rain until about 11 am, we managed to have 19 hardy car show buffs bring out their cars and trucks. The weather became sunny, with a nice breeze.

Dan had the Scouts direct parking and prepare lunch which was incredibly reasonable. Great hamburgers, hot dogs, pulled pork, nachos, chips and iced tea. The church ladies had set tables up for lunch. Each church member was so welcoming and warm and it was a wonderful place for a car show.

Following are photos of the show. First stop registration:

L-R: Sharon Cygan, Tammy Suddeth, Meredith Williamson and Paul Williamson standing not pictured—Martie Kernodle had a New Member table.

Dan McGrath made the trophies, which were incredible. Dan said he about used up all his spare parts.

Members Recommend Car Repair Shops

Many of you have mechanics, upholsterers, suppliers, restorers, detailers, etc. whom you trust and would recommend as a source for members. At a member meeting, several of you said that it would be most helpful if these trusted sources were listed in *The Generator*. So, here is a start:

Martie & Jon Kernodle recommend:

Santa Fe Garage
407 West Lexington
Independence, MO 64050
816-977-1020
greg@santafegarage.com
Billie and Greg, owners

Did work on our 1960 Metropolitan. Works on classics and others. Great couple. Reasonable, outstanding work.

Billie handles phone and office, while Greg, her husband, does the work with garage staff.

Absolute Upholstery
3011 M 291 Frontage Rd
Independence, MO 64057
816-694-9936
Ricky Jones, owner

Great upholstery job on headliner of 60 Metro. He does a lot of classic cars, boats, but not furniture.

Grisham Auto Service
4001 Prather Road
Kansas City, MO 64166
816-455-5800
Tim Grisham, owner

Tim is owner. Has worked on our 1957 and 1966 T-Birds. Honest, fair, reasonable, great work—in the Northland

Bonnie & Bill Johnson recommend:

Tommy's Custom Interiors
1308 South Cedar Ave.
Independence, MO 64052
816-226-0654
Tommy, owner

Tommy worked on Danny Johnson's Jeep and his 1968 Mustang

Steve Hartwich recommends:

AA Wheel & Truck Supply
717 E 16th Ave
NKC MO 64116
816-221-9556

For the DIY mechanic this place takes care of your old car brake and brake drum needs. They also rebuild water pumps. **Call and talk to Denny.** *This is not a shop where you take your car.* You take the parts there and they do the machine work like relining old brake shoes, turning brake drums and arcing the shoes to the drums. No one in KC does this anymore but it's highly effective and successful for safe brake operation.

Please email me your recommendations—editormidamerica@gmail.com

Thank you,
